Punxsutawney Weather Discovery Center 2014 Finances & Admission Data

Total - \$89,000

Total - \$92,308

Punxsutawney Weather Center, Inc. is a 501 (c)(3) public non-profit charitable organization. Our tax ID number is 25-1888172

The Weather Discovery Center will undertake four main initiatives for 2015: The expansion of our programming for Scouts, the continued development of our school outreach program, exhibit development, and the advancement of our Endowment fund.

Scout programming at the Weather Center encompasses everything from merit badge (Boy Scouts) and Journey (Girl Scouts) programs to troop meetings and fun days. Already Scouts from Armstrong, Indiana, and Jefferson counties have enjoyed our programs.

Thanks to a grant from the Glenn and Ruth Mingle Foundation, we have begun our outreach programming and hope to expand it greatly in 2015. With outreach programming, Amanda Hornack, Director of Education and Programming, goes into the schools with an hour-long interactive presentation.

Thank you to our Volunteers!

The success of the Weather
Discovery Center is linked to our
volunteers. While we have a large
number of people who give of
their time to help us over
Groundhog Day and for school
field trips and for that we are
extremely grateful, there are
three volunteers who help us on
a regular basis.

We'd like to recognize:

Regina Bowers

Ann Higie

Marilyn Kohut

Thanks for all you do!
