

School Visit Gift Shop Program

To make having a souvenir of their visit to the Punxsutawney Weather Discovery Center (PWDC) possible for every student who attends, and to make it easy for the teachers and attendants on the day of the visit, we suggest the following program:

- * Children can pre-order souvenir items by using the attached order form. These items can be ordered ahead of time by sending the form home to parents. The money can be collected and the orders faxed to the Weather Center prior to the visit. *(During school visit season, our supplies of the listed items can change. Please contact us prior to sending the form home to be sure the items are still available.)*
- * If the classroom chooses to participate in the ordering program, each child, regardless of whether they pre-ordered any items, will receive at no charge, a gift bag from PWDC containing two (2) souvenir items.
- * PWDC will package any ordered items together in the bag with the free souvenir items and label each bag with the child's name. The bags will be boxed for easy travel on the buses. The teacher can pay for the items the day of the trip.
- * Please note: We require receiving the order summary a minimum of three days prior to your visit to allow us enough time to package and label the bags.
- * This program accomplishes three things: it allows children to have a memento of their visit, which is a big part of any field trip, it saves time and eliminates the chaos of having the children shop in the gift shop, and it helps the operating fund of PWDC so we'll be here to help educate and entertain future students.

Punxsutawney Weather Discovery Center Order Form

(Valid from January 1 – May 31, 2019. During school visit season, our supplies of the items may change. Please contact us before sending the form home to be sure we have the listed items in stock. We reserve the right to substitute a similar item of similar price, if necessary.)

Child's Name _____

Grade/Homeroom/Teacher _____

Check the item(s) you wish to order and the quantity. Total the order and submit order and money to the teacher no later than _____(date).
