

Saturday, June 22
10 a.m. - 3 p.m.

\$10 per participating child,
\$6 per non-participating
adult

What You'll Do!

Kinetic Sand

It's chemistry! Make your own play sand to mold and shape - take it home!

Extreme Bubbles

The biggest bubbles you'll ever make!

Sensory Dig

What's hiding in our pool full of pudding? You'll be very surprised!

Twisted Twister

You've never played Twister like this before - it's sloppy!

Fizzy Science

Watch a geyser erupt from a bottle and learn the science behind it!

Crazy Painting

How many weird ways can you put paint on our sidewalk - you'll find out!

Chalk Bombs of Color

How hard do you have to throw? What shape will they make? So much color!

What You Should Know!

Sloppy Nachos,
Candy & drinks
available for
\$1.00 each.

Your admission
band allows you
to come and go
from the Weather
Discovery Center
throughout the
day.

You will get
messy, so
bringing
a change of
clothes would be
a good idea!

Parents should
plan to help their
children,
especially those
younger than
than 8 years of
age.
